ROSEBUD

WATERLOO HIGH SCHOOL
Waterloo, Indiana

As We Look Back...

Graduation---the vantage point
from which we survey our green years.

We entered these halls as fledgling freshmen,
inspired by the strength, vigor and freshness of youth
to create traditions and to grow mentally and spiritually.

In contemplation of the past,
we may analyze and understand ourselves,
for in these pages our true personalities are disclosed.

We Remember . . .

ADMINISTRATION... FACULTY....

The Rosebud of 1961 will bring the realization of meeting new people . . . the memories of old friends . . . the gaiety . . . the sadness . . . and the companionship of the past school year and how it affected each individual.

We gaze into the future with alert minds, having the determination of our plans and dreams to be accomplished.

CLASSES... ORGANIZATIONS... ATHLETICS...

If we, the Rosebud Staff, have succeeded in bringing to you these purposes, and have created a silhouette of your high school life, then our efforts will not have been wasted.

In Memoriam

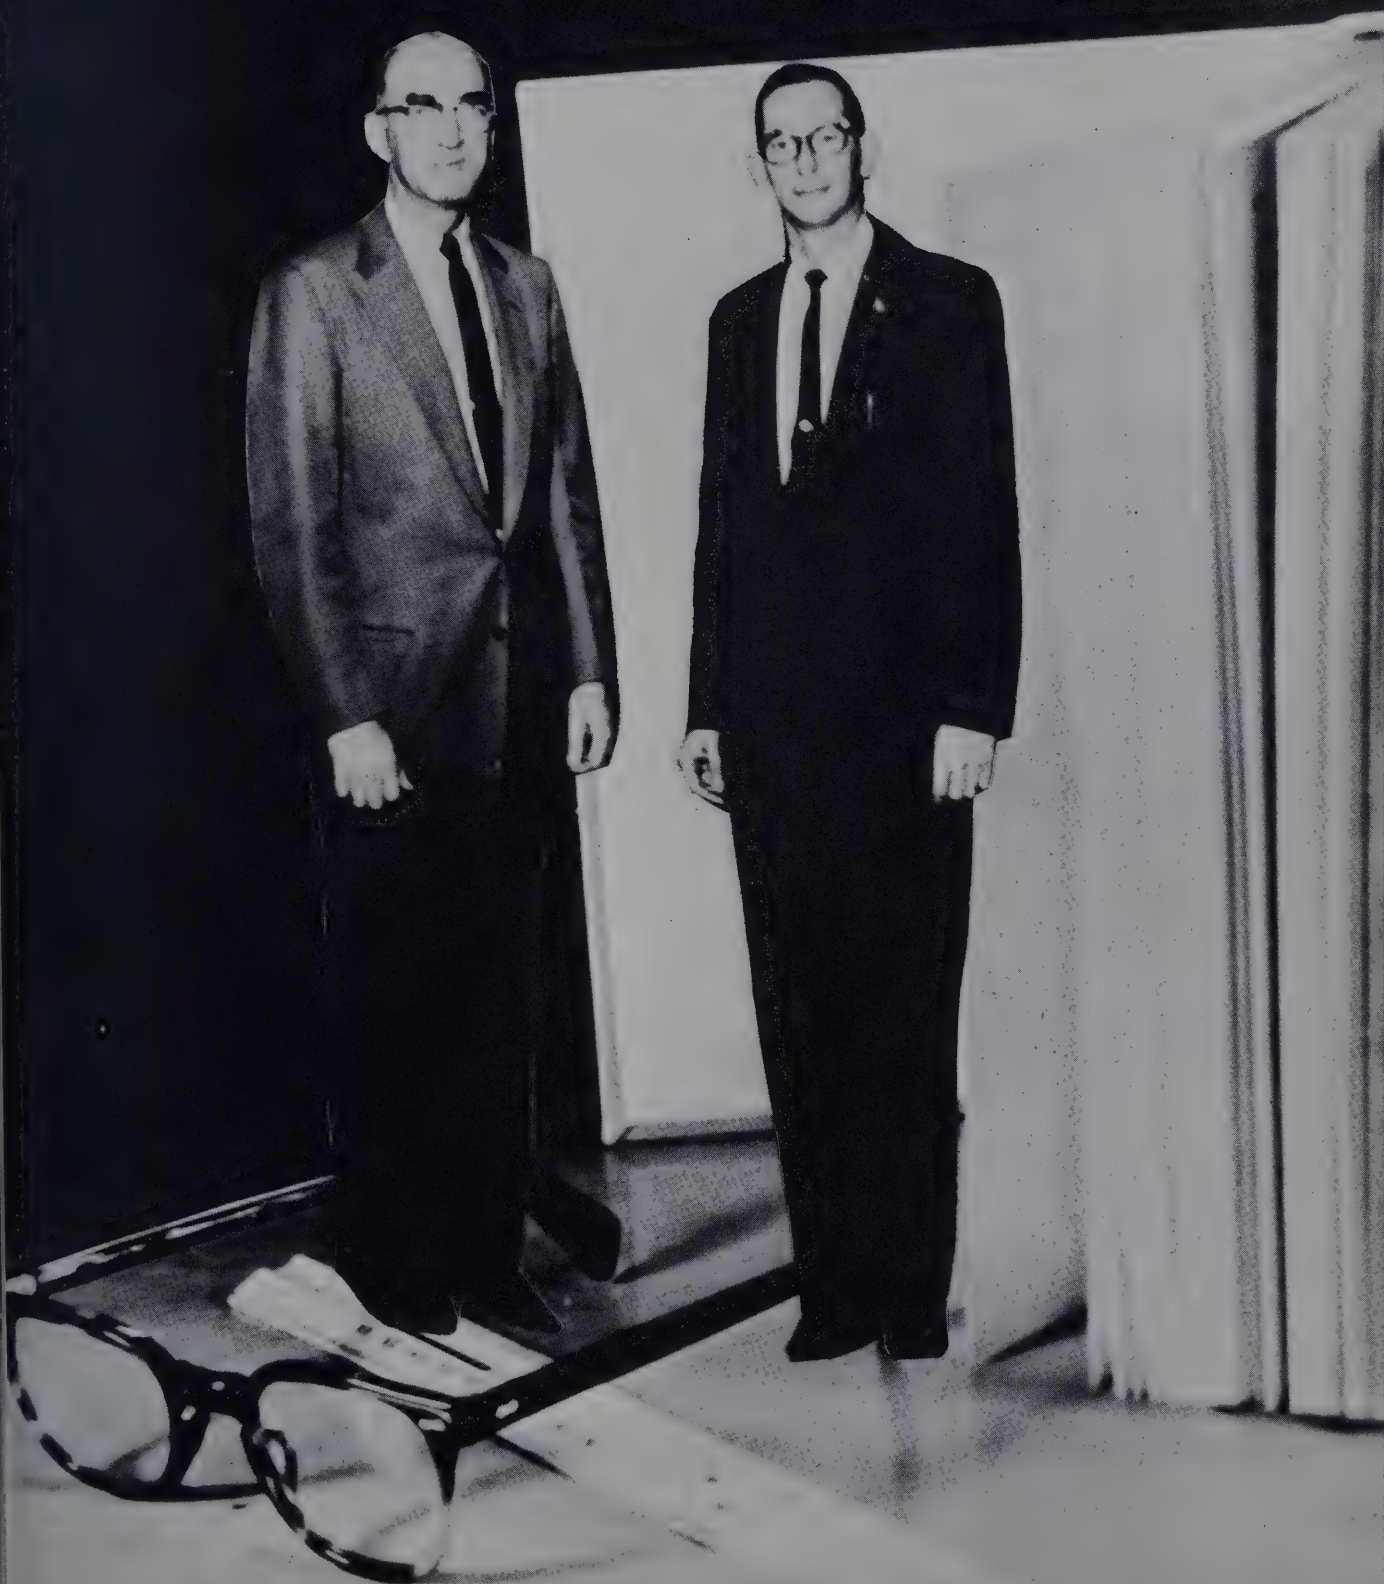

HERSCHEL CLARK KELLEY

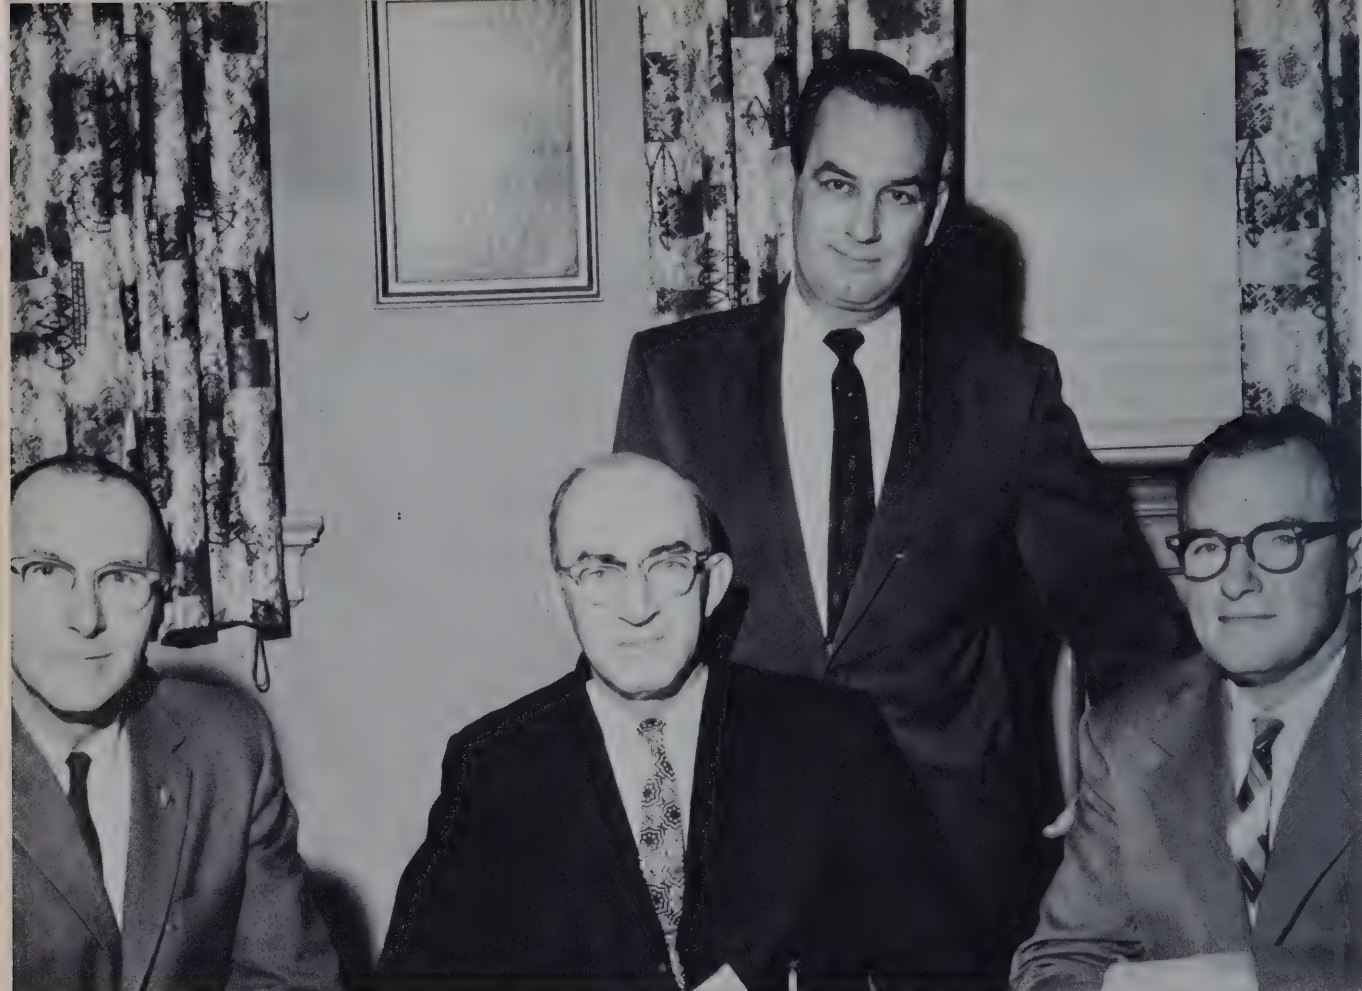

The Senior Class of 1961 dedicates this edition of the Waterloo High School Rosebud to Herschel Clark Kelley.

Much has been written about Clark Kelley's prominence in our community, his civic works, and his record of thirty-five years as a school bus driver for Waterloo School. But we wish to write of his friendship. In the words of Edgar Guest--

Make new friends,
But keep the old.
For those are silver,
But these are gold.

Between the covers of this annual are contained the memories of the departing seniors. Clark Kelley was our friend, and it is right and fitting that his memory should serve as the strongest link in our golden chain of memories.

SCHOOL BOARD

Wayne C. Voss

Edward C. Barton

Walter Haislip

John Graham

We, the students of Waterloo High School, in recognition of the progress made by our school, wish to take this opportunity to express our appreciation and gratitude to each member of the board for his part in improving our school until it has become an outstanding institution in the community.

SCHOOL SECRETARY

Marilyn Gurtner

We also wish to thank Mrs. Marilyn Gurtner, our school secretary, for working tirelessly in behalf of our student body and our faculty. Her cheerful efficiency is a great help to the superintendent, the principal, the faculty, and the students.

AN EFFICIENT SCHOOL ADMINISTRATION PROVIDED THE KEYS TO EDUCATION

EDWARD C. BARTON

Edward C. Barton, Superintendent of Waterloo-Grant Twp. School has the responsibility of keeping our school in tip-top shape.

He recommends applicants for teaching vacancies, plans the all-over budget, and helps solve administrative problems. Mr. Barton also works with the School Board in the improvement and expansion of the school system.

Mr. Barton received his B. S. degree from Indiana State Teachers College in 1936, and his M. S. degree from Indiana University in 1946.

SUPERINTENDENT

URBAN F. STECKLER

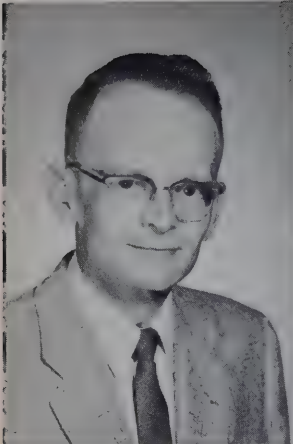

Urban F. Steckler, Principal of Waterloo-Grant Twp. School, acts as an executive officer of the Superintendent.

He is responsible for organizing and administering the high school program. He formulates the teachers' and students' schedules, and handles the discipline problems affecting all high school pupils. Mr. Steckler also teaches two Spanish I classes.

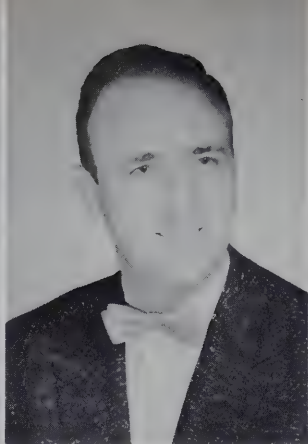

Mr. Steckler received his A. B. degree from Evansville College in 1949, and his M. S. degree from Indiana University in 1956.

HIGH SCHOOL

In Miss Thomas' Art Class the students developed basic knowledge of elements and principles of art through varied learning experience. This year they learned poster work, lettering, drawing, design, painting, and art appreciation. This general course served to acquaint students with the major art fields.

'Ahora si el mundo es chico'!
--It's certainly a small world now!

The Students in Mr. Steckler's Spanish class are meeting their South American neighbors through the pages of El Camino Real.

The Romance languages may not seem very romantic to the pupils struggling through the intricacies of verb conjugations, but there is a real thrill in being able to translate smoothly a story written in a foreign language.

Besides being helpful in later life, the study of Spanish is an interesting way to learn the history of the country and the customs of the people. Adios!

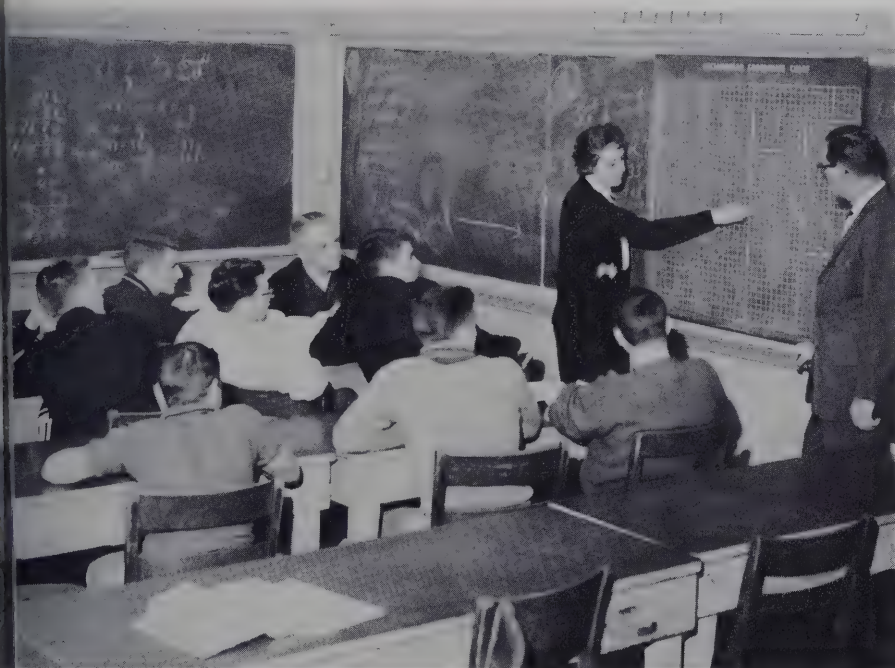

The students in Mrs. Ford's Beginning Typing Class are trying hard to increase their speed and accuracy in typing.

CLASSES

"The way to a man's heart is through his stomach." If this statement is true, the girls in Mrs. Butler's home economics classes have nothing to worry about. Here the freshman girls are learning the art of serving an attractive and appetizing salad which they have prepared themselves.

Because mathematics is essential in many fields of endeavor, the Waterloo High School Mathematics Department, headed by Mr. Ford, offers the students a broad and integrated foundation in this course. Thanks to the able instruction of Mr. Ford, the student finds himself more capable of handling involved equations and intricate graphs, as shown in the picture of Mr. Ford's Advanced Algebra Class.

In the biology classes, headed by Mr. Berg, students become familiar with such terms as osmosis and photosynthesis, as they view the microscopic world of the amoeba.

Through dissection, students acquire a knowledge of the intricate internal parts of animals. This knowledge helps them to better understand the functions of the human body.

In September, 1949, thirty-five little first graders started their first big day at Waterloo school. It was a big day for all of us; although fearful of this new experience, we soon grew to like it.

Before long, we advanced to Junior High. We were all intrigued by the vast upstairs. We all felt so big and proud of ourselves. Our teachers in Junior High were Mr. Fries and Mr. McIntosh.

At last, we finally became a part of the High School-- Freshmen! We gained quite a large number of new members from surrounding country schools. Our class now numbered sixty. Mr. Bourquin was our first high school sponsor.

In our Sophomore year we purchased our class sweaters. We picked charcoal sweaters with pink letters. Also, we added quite a bit to our class treasury, with the sale of Christmas cards. Mr. Johnson was our sponsor in our sophomore year.

Our Junior year in school was a year with quite a bit of hard work. This year we had the Junior store. We worked very hard and realized a large profit. We also sold cookies this year. During our Junior year we purchased our class rings. We also produced our first class play, "Nothing But Nonsense". We all had a lot of fun putting on our Junior play.

At last we were finally Seniors! Mrs. Love and Mr. Ford helped us with our projects and the making of plans for our Senior trip. We gave our class play, "Books and Crooks", which was a great success. Another big project during our senior year was the Homecoming Dance sponsored by our class. We enjoyed the dance, and it was a big thrill to have a senior, Linda Muzzillo, elected Homecoming Queen.

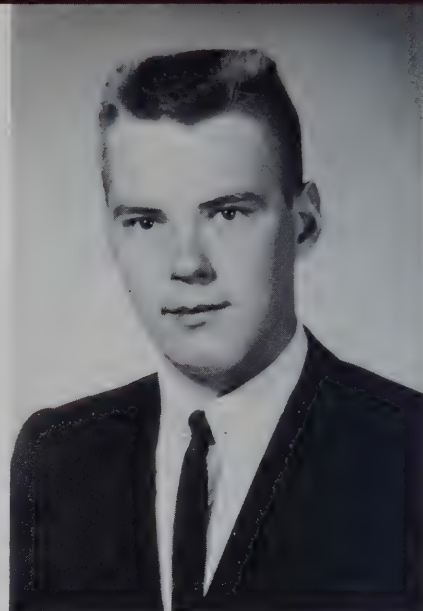

We thoroughly enjoyed every minute of our trip to Washington, D. C. and New York. Now we are all awaiting the big day when we will receive our diplomas and be on our way toward our goal in life. Yet we know that it will be a sad day, because we leave our friends and memories of Waterloo High School.

The annual Homecoming for graduates of Waterloo High School was held on November 23, 1960. There were nine candidates for Homecoming Queen. Each class and school organization nominated a candidate. The Senior Class sponsored the Homecoming and sold raffle tickets on a General Electric clock radio. For every raffle ticket purchased, students were allowed to cast ten votes for their favorite candidate. In this way the Queen was chosen. Linda Muzzillo received the most votes and thus became the Homecoming Queen of Waterloo High School for 1960.

HALLOWEEN PARTY

The Waterloo Lions Club sponsors a Halloween Party every year for the students of the Waterloo School. It is held in the school gym on Halloween night with free popcorn, doughnuts, and cider for everyone.

Activities for the evening include judging the costumes, money scrambles, sack races, pie eating contests, and a record hop for the older students.

The students repay the Lions Club by not committing any vandalism during the Halloween season. If there is no vandalism the students also receive a one day vacation from school.

The Lions Club Halloween party is one of the many memories we cherish from our school days at Waterloo.

The Senior Band at Waterloo High School is composed of high school students from the freshman through senior class. The band took part in many activities this year. We opened our marching season with a performance at the annual DeKalb County Free Fall Fair at Auburn. We also led the Halloween parade at Halloween time.

The concert season began after the marching season was over. The band played at all the home basketball games and presented a very fine Christmas program at Yule time. In February the solo and ensemble contest was held at Fort Wayne. The bandsmen fared very well this year. After the solo and ensemble contest the hard work began--preparing for the concert band contest held at Angola. The annual Spring Concert was presented at the school gymnasium on April 23.

"T-E-A-M Team! Team! Team!" This was one of the many yells that bounced off the walls of the Waterloo High School gym as the newly formed Cheering Block spurred the Wildcats on to victory.

The group of 68 spirited young Waterloo fans, executed with a great deal of finesse, the yells and maneuvers originated by our energetic cheerleaders, Carol Till, Marsha Hodges, Linda Muzzillo, Linda Wallace, Mavis Sutton, Alice Lockwood, Dave Hill and their sponsor, Mrs. Evelyn Ford. During the basketball season, the cheering block practiced every Friday morning at 8:15. During the sessions the new cheers were demonstrated by the cheerleaders and practiced by the block.

The cheering block is composed of freshmen, sophomores, juniors, and seniors. The seventh and eighth graders must serve a year or two in an apprentice or substitute role. In this manner, the younger students gain experience for their ensuing years in high school.

During the games, the block members wear white blouses or shirts, black gloves, and dark skirts or trousers. Sharon Toneman held the only office in the cheering block, that of secretary.

In its first year, our cheering block added much enthusiasm and eye-appeal to our basketball games. Coach Bourquin and the basketball players appreciate their efforts and look forward to their next season with the Cheering Block.

WATERLOO HIGH SCHOOL COACHES

Standing, Coach Richard Bourquin; Seated left to right, Eighth Grade Coach, Ned McIntosh; Seventh Grade Basketball Coach and Cross Country Coach, Larry Dove; Freshman Coach, Ronnie Vaughn; Back Row, Assistant Coach, Bruce Gurtner.

Coach Richard Bourquin has been head coach of Waterloo Athletics for six years. He has greatly improved the quality of our teams and has earned the respect and admiration of all the team members.

Bruce Gurtner has been assistant coach at Waterloo School for nineteen years. He has provided some excellent material for the varsity team, and has assisted in establishing a championship baseball team.

Ned McIntosh has been Junior High Coach and basketball scorer for twenty-one years. He is well liked by his charges, and he puts a good deal of effort into developing his teams. This year our Eighth grade team has had its best season ever. Our congratulations to Mr. McIntosh!

Ronnie Vaughn is currently serving as Athletic Director and Freshman Coach. He has been at Waterloo for two years and has served the school well.

Larry Dove is serving his first year as Seventh grade basketball coach and Cross Country Coach. A former Varsity star from Hometown High and a top-notch cross country man in college, Mr. Dove brings a good deal of experience and wisdom to Waterloo and is a very welcome addition to the faculty.

Carl Bard

Carl is serving his second year as student manager. He is acting as co-manager of the baseball, basketball, and track teams. He has served very capably and his help has been greatly appreciated.

Bob Potter

Bob is serving his first year as co-manager of our varsity basketball team. He is also co-manager of the track and baseball teams. Bob has done a good job and will be missed next year.

WILDCAT COACH

Our athletic department under the competent direction of Mr. Richard Bourquin, head coach, has brought fame and honor to our beloved high school through the years. This year has been no exception. Our teams have compiled a record which any school would be proud to display. We love our Wildcats!

Just as an officer in the armed forces is responsible for the wins or defeats of the men on the front lines, our coach is responsible for winning those games for WHS. Coach Bourquin knows his duties and carries them out to the fullest extent of his abilities. He not only teaches the basic principles of the game, but he instills in the boys' minds the ideals of sportsmanship, teamwork, and competitive spirit.

GROWTH OF WATERLOO KINDERGARTEN

The Waterloo Public Kindergarten was started in 1952 with only one session meeting daily in the Waterloo Church of Christ. The first year there were only 25 children. Their teacher was Mrs. Auckland, who taught for two years. It was then sponsored by the parents, but since January, 1959, the Waterloo Public School System has taken over its operation.

Mrs. Nice is now the teacher and has been teaching the kindergarten for the past six years. She has also been a Y-Teen mother for the past three years. She was born on Prince Edward Island in Canada and attended the Prince of Wales College there. After moving to the United States in 1941, she attended Butler University and the Arthur Jordan Conservatory.

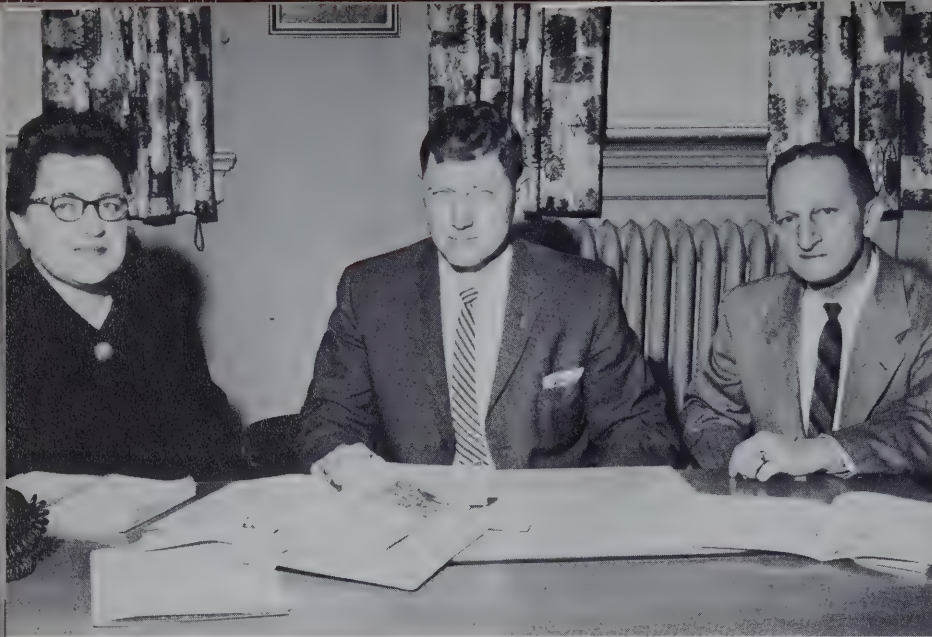

Mr. and Mrs. Nice moved to Waterloo in 1951, and she became a citizen in 1952.

There are now 2 classes each day, and this year there are 48 children enrolled. The first class is from 8:15 a.m. to 10:45 a.m. with the second class beginning at 1:00 p.m. and lasting until 3:30 p.m.

The general objectives of the kindergarten are to help the children adjust from the home to a larger social group; to develop good citizenship, health, and safety; to teach them to be independent and respect the rights of others; and to develop the abilities of each child.

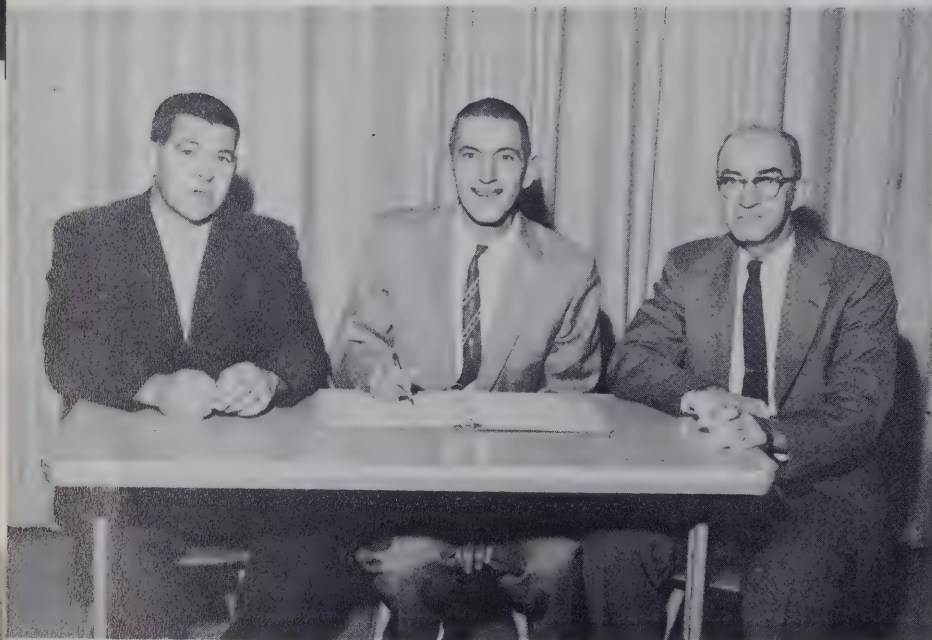

Many of the things that they learn for later school life are how to count to one hundred, the alphabet, to know and distinguish the different colors, and to act out stories. They also learn how to print their names and keep rhythm to music.

The term "kindergarten" was an excellent choice. It is a place where the children grow mentally and socially through play, laughter, and gaiety.
